Instructions

1. This form must be filled out completely for each product at the time of sale.
2. Only one product (Vehicle, unit accessory) may be listed on each form.
3. Mail this form back to us: info@trilo.com
4. For any question call us at: +31 (0)33 45 64 432

Pre-delivery inspection

- All fluid levels checked
- Engine starts and runs properly
- Hydraulic function properly (if equipped)
- Tires properly inflated (see user manual)
- Fasteners tight
- Light works (if equipped)
- Coupling checked

Consequences

By not completing and returning a product registration form at the time of sale you may be:

1. Denied warranty reimbursement until the product is registered.
2. Depriving the product owner of important update and safety information.

Operator instructions

- Operator manual with unit
- Instruction/warning labels on machine
- Controls explained
